TWENTY THIRD YEAR.

- Intend Continuing the Business of Hardware Dealers,

At present their stock and assortment is very much broken, but they expect at an early date to have a good all

around assortment of such goods in their line as you may want and they hope that by fair and honest dealing:

Goods Damaged by Fire will be offered at prices to dispose of them. They also have a number of Heating Stoves

which were in their warehouses and are in perfect condition, but are taking up too much room at present, offered at

Prices Less Than Cost. They hope to see their old customers in their new location, just across the street from the
